1. Considering the advanced level of this course, a prerequisite is necessary to guarantee that all participants receive the highest level of instruction without the need to review the basics. Dentists are required to view a streaming video course and take a pretest. For information about the video course go to the training center website at www.joemassad.com and visit the Continuing Education page.

The Massad Center for Higher Learning offers a two-day hands-on/over-the-shoulder courses for the dentist. Each course will have limited attendance. ³Lab Technicians accompanying Dentist is required to pay same fee as Dentist.

We have developed treatment protocols based on a combination of carefully selected singular prosthetic concepts. These concepts have been proven anatomically and physiologically, as well as documented by a preponderance of literature. When these are combined, the results have been proven to be superior when compared to traditional or other art-driven methods.

PREREGISTRATION: Preregistration for all courses is necessary. It is beneficial for participants to preregister for a course as the course packet will be available for them at final check-in.
